WORK HISTORY

EXCEL ACADEMY INT SCHOOL, Aramoko, Ekiti State **March 2022 - Present**
Science Teacher

- National Youth Service
- Engaged students and promoted intellectual curiosity through hands-on experiments, presentations and mnemonics to provide positive attitude towards scientific processes.
- Calibrated and maintained lab pressure sensors, oxygen sensors, pH meters and barometers.
- Instructed students in lab by teaching safety protocols for proper use of chemicals and safe disposal of hazardous materials.

DIMKAZ MEDICAL LABORATORY, Saki, Oyo State **January 2020 - April 2020**
Laboratory Scientist Intern

- Maintained strict aseptic fields when collecting biological samples, minimizing staff and patient infection risks.
- Assisted with safe transfusions by conducting tests and completing blood counts.
- Worked with pathologist to isolate abnormalities and narrow down likely diagnoses.
- Collect blood and tissue samples with focus on accuracy and adherence to aseptic techniques.

EDUCATION

Bachelor of Science in Biochemistry, Kwara State University, Malete, Nigeria **2021**
Second Class Honors (Upper Division)

VOLUNTEER EXPERIENCE

Beyond the classroom - Personal Community Development Service (NYSC)

2022

- Worked with students in classrooms and home environments to provide educational support.
- Planned lessons for allotted time to strengthen weak subjects and build skills.
- Motivated students towards learning and studying to build self-confidence and reduce fear of failure.
