Graduation Status

> ℹ️ If you are viewing this page in February or August, this page will reflect your latest semester's grades towards the end of February/August or beginning of March/September. Please check this page again accordingly.

> ℹ️ Courses completed after you are **declared a graduate** of a program will not be shown on the graduate transcript.
> Therefore, we strongly advise you to not take additional courses or repeat courses in this program after you have completed your graduation.
> If you still proceed to take a new course or repeat a course, after you have been marked as a graduate of this program, then this course and its grade would not appear on your graduate transcript.
