**RE: TEMPORARY NYSC DISCHARGE CERTIFICATE OF
SANUSI RIDWAN BAYONLE (E039953)**

I write to inform you that all graduates of Distance Learning and Sandwich Programmes, among others, are excluded from participating in the NYSC Scheme with effect from October, 2000 by an order from the Directorate of the National Youth Service Corps, Abuja. The above-named graduate of the Distance Learning Centre, University of Ibadan, is by implication, affected by the directive.

As a follow-up to the directive, the Centre has requested for Exemption Certificate from NYSC through the Student Affairs Division of the University to enable Distance Learning Centre graduates meet the requirements in this regard.

It will be appreciated if this certification can be accepted as Temporary Exemption Certificate for the above-named pending the issuance of the NYSC Exemption Certificate from the NYSC Headquarters in Abuja.

Thank you.
